Dear Mr Lamb

**25/02438/LBC Listed Building Consent for the installation of an air source heat pump on the front (north-eastern) elevation of the generator house, Brodsworth Hall Brodsworth Estate Road Brodsworth Doncaster, DN5 7XJ.**

Thank you for consulting The Gardens Trust (GT) in its role as Statutory Consultee with regard to any proposed development affecting a site included by Historic England (HE) on their Register of Parks & Gardens (RPG) – Brodsworth Hall Registered Grade II\* (List No 1001250). The Yorkshire Gardens Trust (YGT) is a member organisation of the GT and works in partnership with it in respect of the protection and conservation of registered sites and is authorised by the GT to respond on GT's behalf in respect of such consultations.

This LBC is for the installation of an air source heat pump at the former generator house within the RPG and within the curtilage of the grade II listed Old Stables in the Brodsworth Conservation Area.

We refer you to our letter of 22nd January 2026 for:

**25/02439/FUL Reduction to existing bin store within the curtilage of Brodsworth Hall and the expansion of the bin store adjacent to the visitor centre and car park as well as the installation of two air source heat pumps, Brodsworth Hall Brodsworth Estate Road Brodsworth Doncaster**

We have no further comments to make and the Gardens Trust and Yorkshire Gardens Trust have no objection.

Yours sincerely

Val Hepworth  
Trustee Conservation and Planning
