5th January 2024

Dear Mr Anderson

23/03575/PLB Internal and external alterations to North Wing and adjoining former pantry with the application of breathable insulation internally and externally to the west wall, installation of a log burner to the existing fireplace of the Entertainment Room and re-decoration of the internal face of the west wall. South Dalton Hall Park Road South Dalton East Riding Of Yorkshire HU17 7PW.

Thank you for consulting The Gardens Trust (GT) in its role as Statutory Consultee with regard to any proposed development affecting a site included by Historic England (HE) on their Register of Parks & Gardens – South Dalton Hall Registered Grade II*. The Yorkshire Gardens Trust (YGT) is a member organisation of the GT and works in partnership with it in respect of the protection and conservation of registered sites and is authorised by the GT to respond on GT's behalf in respect of such consultations.

South Dalton Hall is Listed Grade II* and faces east onto parkland with the gardens and pleasure grounds to the west. These are significant as one of the best-preserved early 18th century Rococo gardens in the country. The terrace and shaped beds on the west side of the Hall were laid out by William Broderick Thomas during the 1870's.

This application for Listed Building Consent for internal and external alterations to the North Wing and adjoining former pantry should not have any harmful effect on the Registered Park and Gardens and will give a viable new use to this part of the Hall.

The Gardens Trust and Yorkshire Gardens Trust have no objection to this application.

Yours sincerely,

Val Hepworth
Trustee Conservation and Planning
