Dear Sir/Madam

23/00872/LI Listed Building Application for the Restoration of the Butler's Pantry (currently a technical workshop) to 1890s designs, including upgrading a workshop, adding partition walls, additional electrics and data points, Temple Newsam House Temple Newsam Road Halton

Thank you for consulting The Gardens Trust in its role as Statutory Consultee with regard to any proposed development affecting a site listed by Historic England (HE) on their Register of Parks and Gardens. In this case Temple Newsam registered grade II with the house listed grade I. The Yorkshire Gardens Trust (YGT) is a member organisation of the GT and works in partnership with it in respect of the protection and conservation of historic parks and gardens and is authorised by the GT to respond on GT's behalf in respect of such consultations.

This application for Temple Newsam House is not within our sphere of detailed knowledge and expertise, however from reading the Heritage Statement it sounds to be a very worthwhile project that will reveal more treasures, improve access, and enhance the visitor experience. The Heritage Statement gives a very interesting insight into aspects of Temple Newsam House.

Yours sincerely

Val Hepworth
